Treasurer's report

Members are requested to inform the secretary of any changes to their contact details

The membership subscriptions paid to date are 42.

It was agreed to review and increase the number of authorised signatures for cheques of the Society. The necessary HSBC forms have been completed by committee members and forwarded to HSBC for processing. In order that the changes are being progressed by HSBC, Steve is to contact HSBC to obtain confirmation and be given a date when signatures are "live".

Next years subscriptions were discussed and it was agreed that ALL paid up members for year 2019/20 would NOT pay subscriptions for next year – year 2020/21

Steve confirmed that Burton College had been paid for all the lecture theatre room hire for the present year. It is assumed that the society would be credited for the March/April/May bookings cancelled by the college due to the college being closed. Richard is to contact the college, via email, to confirm the arrangement and propose a start month of October 2020 for the next session lectures.

Programme 2019/20

The 4 lectures joint with the I MechE; 2 to be organised by I MechE and 2 by the society

2020

Members have previously been informed by email that the current lecture programme has been cancelled due to the present health crisis.

Via social media, [Zoom](#), it is planned to hold a monthly lecture meeting soon. Colin has agreed to give a brief talk on the breweries. Members are asked to respond via email, or via telephone/mobile, if they

would like to join such a Zoom meeting. For those members not using Zoom yet for their own communications, Colin is willing on a one to one basis via telephone to talk members through the Zoom system in order that they can join the next meeting. Can members please respond in the next few days in order that we can gauge members interest in this.

2020/21 year

The plan is to commence our normal meetings commencing with the AGM in October of this year. Colin will rearrange the lecture programme.

October – The Wells and Water that made Burton famous – Martin Ralph, brewery design engineer
December– Capturing reality – 3D Laser scanning, mobile mapping and UAV surveys – Tim Faultener – MK Surveys
January – Space Engineering at the University of Leicester – Alexander Lodge – Leicester University Space Centre

Topics for meetings:

The aim for the new year is to present a balanced programme

Hunslet Locos – Dereck Webb

Canals – Sally

Clayton Locos - diesel locos on Centrum site. Richard to progress

Oil wells in Staffordshire
